Dear General Kuter: *Larry:*

Just a note to express my appreciation for all the courtesies extended to me on the visit to Eglin yesterday. The entire day was extremely well planned, and I wish to compliment you on how splendidly your Air Defense performed. It proved to be a very full day, and I found the trip interesting and worthwhile.

Sincerely,

Dear John:

Thanks so much for your note on the Eglin trip. I am glad you enjoyed it, and I wanted to tell you how much we appreciated the CIA participation there. It added tremendously to the program, and the President seemed to be particularly pleased.

With every good wish,

Sincerely,
